B2B MEETS

**INTERNATIONAL
BUYER SELLER MEET**

**INDUSTRY LEADERS
AS SPEAKERS**

**STARTUP AND
INNOVATION SUMMIT**

**TECHNOLOGY
SEMINARS**

CITY TOUR

- **6th INDIA TOOLS** – A large number of exhibitors will display the latest precise tooling required for the most modern machine tools which will also be displayed by industry leaders
- **CASTING & FOUNDRIES EXPO INDIA** – An inaugural effort aimed at creating a veritable international bazaar of Indian castings. Exhibitors will have access to a ready audience of castings buyers at the venue itself among the 700+ exhibitors in 16th ENGIMACH! Further, sourcing teams have been specially invited from major industries which buy castings like the Railways, DRDO, Manufacturers of Automobiles, Tractors, Powertrain etc. Selected international

buyers of castings are also being sponsored to participate in the Buyer-Seller and Vendor Development Programs.

- **STARTUP CONCLAVE EXHIBITION** – This show is the corollary to the STARTUP CONCLAVE held by the GOVT. OF GUJARAT at the same time. More than 350 entrepreneurs are expected to participate showcasing their exciting new business based on innovative solutions. This will be a golden opportunity for businesses looking for innovations and new avenues of investment!
- **INDIA SMARTTECH MANUFACTURING CONFERENCE** will focus on the use of modern

technologies, especially, IT in manufacturing. While the conference with a stellar cast of national and international speakers will shed guiding light on the subject, the attendant exhibition will actually give the exhibitors a chance to display and demonstrate the new technologies!

More than 700 exhibitors and 1,00,000 business visitors are expected to participate in the 16th ENGIMACH and the trade show promises to make a significant contribution towards showing the path forward for modern Indian manufacturing. If you have not done so already, confirm your participation NOW!

**Grand Industrial Meet and Roadshow of concurrent trade shows
16th ENGIMACH and CASTINGS & FOUNDRIES EXPO INDIA 2023 held in Rajkot**

From L-R: Mr. Hareshbhai Patel - Vice President, MTMA Rajkot; Mr. Ritesh Shah - GM, K and D; Mr. Subodh Panchal - MD, Kastwel Foundries; Mr. Tejas Dudakiya - Secretary, MTMA; Mr. Amit Mistry - Head Projects, K and D

Guests watching Engimach 2023 video presentation

Mr. Tejas Dudakiya, Secretary felicitated by Mr. Jagdish Barot

Mr. Hareshbhai Patel - Vice President, MTMA felicitated by Mr. Ritesh Shah - GM, K and D

Mr. Subodh Panchal, MD, Kastwell Foundries felicitated by Mr. Bipin Siddhapura, Co-Op Director, MTMA

Mr. Sachin Nagewadia, Director, MTMA Rajkot

Mr. Deval Ghorecha, Jt. Secretary, MTMA Rajkot

Mr. Subodh Panchal, MD, Kastwel Foundries

Mr. Amit Mistry, Head Projects K and D

Mr. Amit Mistry, Head Projects, K and D engaging an audience member

Product Profiles

WORKSHOP TOOLS

We don't just sell tools. We imagine, design, manufacture, test, sell & build powerful legacy with them. Over the years, we have expanded our portfolio to over 20,000 products and parts in Hand Tools, Greasing, Fuel, Oil and Air Handling Equipment, Precision Measuring, Woodworking & Worklight categories. For more than 45 years, we have been developing engineering solutions for Automotive, Industrial, Agriculture, Mining & DIY industries that deliver unmatched performance that everyone can trust. Today, GROZ brand stands for the TRUST that we have earned in the global market.

FIBER LASER CUTTING MACHINE

Complete Engineering Solutions was founded in 2016 by experienced technocrats of the engineering field. We are an enterprise group with strong capital, technical strength, good capital institutions and social reputation.

We provide solutions for Manufacturing and engineering field. Complete Engineering Solutions have a product range of Fiber laser cutting, laser marking, laser welding, pipe cutting machines with different categories along with 30+ different models.

We have a well built team for Sales and services providing all across India.

CNC PRESS BRAKE RG PLUS HD 41/450

Rajesh Machine Tools Pvt Ltd would like to introduce ourselves as a Sheet Metal Machineries Manufacturer, taking manufacturing technology to the next level is our mission and that means making it cost-efficient, accurate, future-proof and connected.

Rajesh Group is a market and technology leader in industrial Sheet Metal Machines manufacturer. We are the leading manufacturer of various types of Sheet Metal Working Machines. We are manufacturing Sheet Metal Machines like Hydraulic Machines, NC Control Sheet Metal Machines, CNC Control Sheet Metal Machines, CNC Synchro Control Sheet Metal Machines and Guillotine Control Sheet Metal Machines.

CNC TURN MILL CENTER

Tirupati CNC has over 35 years of experience in manufacture of Machine Tools with over 3000+ CNC Machine installations globally. Our current production facility spread over an area of 30,000 sq. ft. with 4 Production Assembly Lines and production capacity of 300+ Machines per annum is planned to be doubled in 2024! Tirupati CNC is a TUV NORD ISO 9001:2015 CERTIFIED COMPANY having a qualified and an experienced R&D Team.

Our product range includes CNC Lathe Machines – Flat Bed, Extra Heavy Duty and Slant Bed; CNC-VMC Drill Machine with 2/3 Axis; CNC Roll Turning Lathe Machine and conventional Lathe Machine. We also manufacture special purpose CNC Machines like Big Bore Machines, Flange Machine, Pipe Threading, Roll Turning, Axle, Pulley & Load wheel.

SPECIALIZED FERROUS CASTING COMPONENTS

We are manufacturer of Ductile Iron, Grey Iron, ADI & Steel casting components for Auto, Railway, Agriculture and Defence sectors weight up to 800 kg single piece.

Our production process includes state of Art V-LFC process to provide sound castings. We also have in house machining facilities including HMC, VMC, VTL etc. along with 3D CMM and Tool Pre-Setter.

We are ISO, IATF & IRIS certified unit also approved vendor to Defence Sector and we also approved Class "A" Foundry certified by RDSO.

DUCTILE IRON AND CAST IRON CASTINGS & CNC MACHINING

HEATTRANS, A renowned name in supply of Ductile Iron and Cast Iron castings with latest and new CNC machining facility at Ahmedabad. We offer one stop solution with machined components to our customer.

We have expertise in pattern design, gating design and methoding with fastest development time. We have in-house state of the art infrastructure for metallurgical R & D, chemical, physical and NDT testing. We have wide list of satisfied and happy customers having many years of strong relationship due to our commitment for defect free casting, precise metallurgy, guaranteed grade and timely delivery.

Key Topics

- **A successful Smart Factory transition:**
Our Production and Logistics Evolution
- **Handling highest-ever volatility in production demand:**
How we deploy automation to manage production volume
- **Smart maintenance:**
Industrial Internet of Things (IIoT) analytics and Predictive Maintenance 4.0
- **Industry 5.0 with respect to Smart Factories:**
Industry 5.0 is taking account of the new conditions
- **Who is working the smart assembly line?:**
Impact of Industry 4.0 on the assembly line and workforce
- **Ins and outs of Integrated Platforms:**
ERP is just the tip of the iceberg
- **CEO's Guide to Quantum Technologies:**
Applications in Industry 4.0
- **CEO's Guide to AR/VR Mixed Reality:**

EMPOWERING TOMORROW'S TECH PIONEERS:

Uniting Investment, Innovation & Unicorns

India is the 3rd largest ecosystem for startups globally with over 99000 DPIIT recognized startups across 670 districts. The Vibrant Gujarat Startup Conclave 2023 aims to bring together the best practices of Indian states in nurturing Startups, foster industry collaborations, facilitate MOUs, showcase innovative products, services & technology, and offer engaging knowledge sessions and investment opportunities.

Grand Exhibition

Plenary Sessions

Unicorn Meetup

Grand Challenge - Investor Pitching

National Roadshows

Showcase of the Best

GRAND EXHIBITION- An Unmatched Experience

Bringing together the varied flavors of success from the world across, and from diverse industries; The Exhibition shall provide an ideal podium of interaction and engagement in order to encompass emerging market scenarios, while marrying them to the excellence of live presentation of projects, ideas, solutions, technologies in the startup ecosystem.

Investors, Regulators, Innovators, Decision Makers, Influencers and Manufacturers shall come together into a seamless fabric of prosperity with various outdoor, indoor and hybrid display and installation spacing options to choose from.
