## Exhibiting the Broader Idea of Growth Opening Wide the Windows of Possibilities

The 15<sup>th</sup> edition of ENGIMACH boosted the business credence of the Engineering and Manufacturing sector. Proven as one of the largest engineering and machine tools shows, it acted as the catalyst in the revival of the small and medium scale industries. Showcasing the latest engineering products and services, heavy and light machines, machinery equipment and accessories, engineering tools and allied products and services, ENGIMACH 2021 was held at the Helipad Exhibition Centre, Gandhinagar, Gujarat from 1st to 5th December 2021.

The exhibition was a roaring success by all means and helped boost the confidence of the majority of stakeholders in the business. ENGIMACH 2021 attracted more than 427 exhibitors and over 72,500 visitors. ENGIMACH helped generate INR 1,545 Crores worth of business inquiries despite the challenging times.

The successful completion of ENGIMACH 2021 at a time when the Omicron variant had led to concerns, established a new landmark for how post-covid era trade shows should be. The organiser, K and D Communication Limited, ensured that all Covid-19 guidelines were adhered to. Social distancing was maintained at all times and the use of face masks/covers was strictly mandatory. K and D Communication Limited was confident that similar industry shows and expos should result in establishing the flow of trade that the pandemic had dropped.

The MSME industries bore the brunt of the pandemic and are still on the path of recovery. ENGIMACH 2021 was highly dedicated to MSMEs to ensure that Gujarat, the manufacturing hub of India, reaps the maximum benefits from the exhibitors from across India and many other countries. It also became an ideal platform for them to showcase their new technologies among more than the other 10,000 innovative products, processes and technologies and emerging technologies kept on display at the premier industry event.

## Exhibiting the broader idea of growth

Standing today as Asia's most dynamic engineering, machinery and machine tools exhibition, ENGIMACH is set to showcase the technological prowess that the engineering, machine tools and automation industry is ready to present

machine tools exhibition, ENGIMACH brings them together into one single space.

After the roaring success of the previous editions of this trade show, which involved over 600 exhibitors from 27

countries, 296 Indian regions, a whopping count of 76,962 visitors and a total of Rs 2000 crore business turnover, ENGIMACH is showcasing innovation and excellence of the industry at a world-class venue, Helipad Exhibition

Center, Gandhinagar. The 15th edition of ENGIMACH is being held from 1st to 5th December 2021 as conceived and promoted by K and D Communication Limited. Scheduled to be inaugurated by Honorable

Chief Minister of Gujarat, Shri Bhupendrabhai Patel, ENGIMACH is marking the emerging innovations, knowledge exchange with world leaders, ample investment opportunities, and business tie-ups.

"In the run-up to the 10th Vibrant Gujarat Global Summit 2022, ENGIMACH would serve as an excellent platform for companies to showcase new technologies, products and manufacturing capabilities. Not just this, we at Maruti Suzuki will be leveraging this forum for discussions on next-generation environment-friendly technologies with researchers, think tanks, business analysts and policymakers," said Rahul Bhatti, Executive Director, Corporate Affairs, Maruti Suzuki.

With an overall presence of 550+ exhibitors and over 80,000 visitors from the industrial sector spread across India and many other

countries, the 10th India Tools Equipment Show and 4th COMFAST 2021 — Complete Fastener Expo are being held concurrent with ENGIMACH 2021. The focus sectors this year include Machine Tools & Machine Tool Accessories, Automation & Robotics, Tooling Systems, Hydraulics and Pneumatics among others.

"The MSME industries bore the brunt of the Covid-19 pandemic, and are on the path of recovery, Gujarat being the manufacturing hub of India is poised to reap maximum benefit from economic recovery. ENGIMACH 2021 is a show dedicated to MSMEs and will play a big role in their

revival," said Kamlesh Gohil, CMD, K and D Communication Limited. K and D Communication Limited's latest edition of ENGIMACH has come with a promising lineup of exhibitors from India and other countries. It would showcase an extensive range of more than 10,000 industrial engineering tools and allied products and services, heavy and light machines, machinery equipment and accessories, scaling up the ENGIMACH brand a notch further. ENGIMACH 2021 is poised to set bigger milestones and higher standards as compared with its earlier avatars. The industry experts are here. Where are you?

**ANIL BHARDWAJ** (MD, Yamazaki Mazak India Pvt Ltd)

It is our first time as an exhibitor in ENGIMACH. Most of the visitors are interested in investing in new machines and have contributed as a quality lead that can be converted in the near future.

**Mazak**

**VIVEK SHARMA** (VP, Yamazaki Mazak India Pvt Ltd)

Our team is very happy with the whole event. ENGIMACH 2021 offers quality visitors varying from students to investors. K and D Communication is a highly professional organisation. We look forward to participating again.

**Mazak**

**I. N. BHATTACHARYA** (VP Sales & Marketing, Lakshmi Machine Works Limited)

There are many more exhibitions on the line but the response in ENGIMACH 2021 has been very good. We received fantastic opportunities that have generated quality inquiries. A lot of orders have been finalized.

**SAHAJANAND LASER TECHNOLOGY LTD:**

ENGIMACH is a great platform to meet new customers as well as those who are willing to or planning to enter into new business. This is the only show which surprises us every time with lot of new customers and application industries.

**SLTL**  
Group

**HINDUSTAN HYDRAULICS PVT LTD:**

Lot of potential customers have visited even though the market is sluggish and this is the USP of ENGIMACH and K&D.

**MACHINE TOOLS INDIA:**

ENGIMACH has been a successful exhibition. We did not expect so much crowd in the show because the market is pretty low. However considering the response we have done very good business. On 3rd day of exhibition we closed orders of 10 machines worth \$1million in this show. We have also launched industry 4.0 software in this exhibition.

**ANISH DOSHI** (Sales & Marketing, Macpower CNC Machines Limited)

Macpower started participating in ENGIMACH from its 6th edition and has grown with each participation. We exhibit in all expos organised by K and D Communication Limited pan India.

**macpower**

**MICROMATIC MACHINE TOOLS PVT LTD.:**

ENGIMACH has given us a platform to show our technology and products to a vibrant market call Gujarat. Due to this show we have got new market, huge customer base and have grown our business at a scale like never before.

**AceMicromatic**  
Group

**ENERGY MISSION MACHINERIES PVT LTD.:**

We are always happy to participate in ENGIMACH, as no of leads and business conversion ratio of this show is excellent. We are sure this will go much ahead in future.

**KUNAL BHALODIA** (Director, A Innovative International Ltd)

We are one the firsts to participate in ENGIMACH and have been participating ever since. ENGIMACH 2021 has more visitors than their previous editions. We have generated inquiries from pan India and across the globe.

**INCREDIBLE MACHINES:**

ENGIMACH is an excellent platform. We have really good amount of quality visitors at our stall and we thank the organisers for such a wonderful exhibition.

**ROHIT SHAH** (CEO, Bhavya Machine Tools)

We have been participating in all of the exhibitions of K and D Communication since 1997. It's the first exhibition after Covid-19, and we are getting a great response. There's always a quality crowd in KDCL's exhibition. We got a lot of new customers in ENGIMACH 2021.

**RAJESH DOBARIA** (Director, Tooltech Industries • Korloj India)

We have been a part of ENGIMACH since 2014. The platform of ENGIMACH has helped us get business in Gujarat. With their support, we have become an authorized distributor for the Gujarat region.

**PRO ARC WELDING & CUTTING SYSTEMS PVT. LTD.:**

We have participated in many other exhibitions, but the way ENGIMACH is organized is excellent. It is more professionally organized many exhibitions we have participated in.

**SPARKONIX INDIA PVT. LTD.:**

We have been participating in ENGIMACH since 1997. This is the one company I have seen growing by leaps. We are really happy with the show and congratulate the team for organizing such a wonderful exhibition. We assure of our continued participation in all the exhibition organized by KDCL.

**Sparkonix**
