India Machine Tools Industry

Pillar of India's Economic Growth

The Indian economy's growth is powered by strong domestic demand and the need to produce globally competitive products. This has led to the adoption of modern manufacturing technologies and processes, with the use of advanced machine tools playing a crucial role. These developments enhance productivity and quality while maintaining cost-effectiveness, underlining the significant contribution of the Indian machine tools industry to the country's economic expansion.

The 9th edition of the Rajkot Machine Tools Show in 2024 will spotlight the latest in machine tools, manufacturing, and engineering, showcasing both local innovation and international R&D achievements. It aims to expand market reach for local industries and explore new regional opportunities for established leaders. Previous RMTS editions have attracted high-quality participants and visitors globally, with successful buyer-seller programs, B2B meetings, and seminars. RMTS 2024 is set to offer even more valuable interactions and benefits.

Mr. Indraneel Bhattacharya
Vice President
Sales & Marketing

LAKSHMI MACHINE WORKS LIMITED

“The company is based in Coimbatore and Rajkot being an important market in Saurashtra and Gujarat, we are here to exhibit our new machines particularly 'J' Series and Small Mill Master which is critically designed for Rajkot where there are many manufacturers of small parts and Bearing industry. It has been a fantastic experience in the last two days! We have got very good leads and the inquiries and footfalls are very very high! We could meet many of the dignitaries and customers and this will help us to improve our footprint in Gujarat and Saurashtra.”

Mr. Santosh Bhadoria,
Director (Technical)

SURESH INDU LASERS PRIVATE LIMITED

“We are here with our 3015 machine with an IPG Laser 3 KW power unit. We have been having a wonderful experience here!”

Mr. Vinit Adurkar,
Regional Head – Sales

MITUTOYO SOUTH ASIA PRIVATE LIMITED

“We are the Indian subsidiary of Mitutoyo Corporation, Japan which is a leading manufacturer of precision measuring instruments in the field of metrology. Rajkot is a very important market for us. We cater to most of the Bearing industries, Investment Casting industries & Auto Parts industries over here. So we are displaying new technologies at Rajkot exhibition for the first time now. So far the exhibition footfall has been very good and we have got a very good response from the exhibition.”

Mr. Jay Gandhi,
Managing Director

MAHEK SPM AUTOMATION

“We are manufacturing SPM machines since last 15 years. We also manufacture CNC, VTL, VMC etc. Rajkot today is a Machine Tools hub exporting to 18-20 countries whereas once these machines used to be imported. So RMTS is a very good platform and opportunity for Rajkot Machine Tools builders! It is a very good platform for end users also because they can meet so many Machine Tools manufacturers in one place at a time.”

Mr. Himanshu Sharma,
Executive Director

J. K. MACHINES

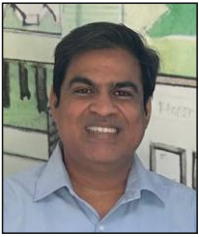

“My father Mr. J. K. Sharma started this company in 2008 to provide all Tool Room machinery of good quality at economical price. The first machine we launched and supplied in 2008 was an EDM machine. Today we have EDM wire cut, EDM laser welding, laser engraving, tapping and we have all tool room solutions. We are exhibiting in several exhibitions of K and D since many years. We received a good response and have developed a good market in Rajkot, Jamnagar and Ahmedabad.”

Mr. Amish Bhavsar,
Head – Product Management

JANATICS INDIA PRIVATE LIMITED

“We are manufacturing pneumatic products and are based at Coimbatore. Rajkot is an important market for us and Rajkot Machine Tools Show is a good show and a very good platform in this Saurashtra region, so we normally participate in Rajkot Machine Tools Show regularly. We are very much happy with the crowd which is coming over. That is the value of the exhibition and because of that we also generate a very good business! We do participate in ENGIMACH also as we have very good experience with K and D.”

Mr. Parasuraman M.
Assistant Manager,
Business Development

J. K. FENNER (INDIA) LIMITED

“In Rajkot Machine Tools Show, we are exhibiting all our products here and many SPM machine manufacturers have approached us. This exhibition has been a good experience for us.”

Mr. U. K. Sardana,
CMD

SHREE PRAYAG AIR CONTROLS PRIVATE LIMITED

“We are based in Noida, Delhi/NCR. We have a 25 year experience of manufacturing pneumatic components. We have participated in this exhibition and we got a very good response and there is a good crowd and productive crowd. Some good customers we have received.”

Mr. Rakesh Solanki,
GM Product &
Applications – India
Mr. Sachin Sharma,
Sales - Western India &
Sales Team

DORMER PRAMET (UNICORN ENGINEERING SOLUTIONS)

“DORMER PRAMET headquarters is in Czech Republic. DORMER offers HSS round tools while the indexable tools are from the PRAMET brand. MIRANDA tools whose manufacturing setup we have over here in India complements DORMER in round tools. This is the first time we are participating over here and the overall experience is tremendously good. It is worth investing and participating in Rajkot Machine Tools exhibition to be very honest. Because the kind of response we are getting, it is really really very good!”

Mr. Mihir Patel,
Area Sales Manager &
Mr. Jay Shah

LASER TECHNOLOGIES PRIVATE LIMITED

“We are dealing in a HSG Laser cutting machine and also bending machine and welding machine. We are showcasing these here. We are displaying GHBM Press Brake and our own Photonics for the laser marking and our "i-weld" laser welding system, to showcase our premium products to the Rajkot market and to boost up the confidence level for the local and outstation visitors.”

Mr. Mukhinder Singh,
CEO

STATE ENGINEERING CORPORATION

“We manufacture Lathe Chucks and other accessories related to Lathe Chucks. We are very happy to be here in the Rajkot Machine Tools Show. We have been participating since its inception and we are very happy, response has been always very good, and Rajkot is an emerging market for Machine Tools builders so it is naturally a very good market for us. We are very happy to be in this show. We appreciate the organizers for organizing this show.”

Mr. Lokesh D.,
Vice President (India)

MECHATRONICS CONTROL EQUIPMENTS INDIA PRIVATE LIMITED

“We are a Dubai based company and in India we are operating from Chennai. We are representing the European Industrial Automation products in India for the last 12 years and in Dubai for last 30 years. We have Sales Engineers in all the major cities in India. We are also coming up with our own manufacturing plant in Chennai. In this exhibition, the response so far has been good we are able to generate a lot of inquiries and we will take it forward interacting with the customers. Thank you for this opportunity.”

K AND D
COMMUNICATION LIMITED

YOUR PARTNER IN GROWTH SINCE 1995

A pioneering trade fair organizer in its 30th year, K AND D COMMUNICATION LIMITED (KDCL), has consistently fuelled economic growth by organizing 100+ national and international exhibitions all across India in different industrial segments. Its portfolio of highly acclaimed trade show brands includes ENGIMACH, INDIA MACHINE TOOLS SHOW, RAJKOT MACHINE TOOLS SHOW, PUNE MACHINE TOOLS SHOW, PUNJAB MACHINE TOOLS SHOW and ITMACH INDIA. KDCL is also a renowned provider of turnkey solution - from concept to completion including stall booking - for many prestigious international trade shows organized by state governments and trade associations.

KDCL helped develop the Helipad Exhibition Centre (HEC) in Gandhinagar, Gujarat. It is one of the largest exhibition centres in India and the largest in Gujarat. Equipped with world-class infrastructure, HEC is the venue of choice for leading international trade shows and events.

K and D Communication Limited is dedicated to creating outstanding trade show platforms that contribute significantly to economic growth and prosperity.
