## A LEADER IN PROVIDING TURNKEY EXHIBITION SOLUTIONS

**ORGANISING**  
EXHIBITIONS RECOGNIZED GLOBALLY

**MANAGING**  
INDIA'S LEADING TRADE PLATFORMS

**DEVELOPING**  
STATE-OF-THE-ART INFRASTRUCTURE

Founded in 1997 with humble means and great ambitions, K AND D COMMUNICATION LIMITED (KDCL) is today proud to provide turnkey solutions for events. A pioneer in the event management industry in India, over a span of last 25 years, KDCL has organized 75+ national and international exhibitions all across India in different industrial segments. KDCL is most renowned for ENGIMACH - one of India's most successful international exhibitions in the engineering machinery sector for the last 25 years.

While all patrons are highly valued, KDCL particularly prizes the trust of companies launching new ideas, products, and services. These companies rely on KDCL exhibitions for the successful introduction of their innovations. Over the last 25 years, many such pioneering companies have grown together with KDCL.

To fill the void that existed in Gujarat, of a world-class infrastructure for exhibitions, KDCL developed the Helipad Exhibition Centre (HEC) in Gandhinagar, the capital of Gujarat. HEC is the largest exhibition centre in Gujarat.

KDCL is now focused on making the most of the next 25 years, as it marches, along with the rest of India, towards 2047 when India will celebrate the centenary of its Independence and KDCL will celebrate the completion of 50 eventful years! In tandem with the growing International stature of India, KDCL also aims to grow to become a reputed international organizer of events across the world.
